

The Art of Watercolour's first World Watercolour Competition Win \$ 25,000*

An "Art of Watercolour" event

Application list

Please connect to the following web page to fill in the form: <http://boutiquedesartistes.fr/concours/>

To enter the first stage of selection, each applicant must fill in the form with:

- Good quality digital photos of the two watercolours you have chosen to submit (JPEG or PDF files only, 10 x 15 cm, minimum resolution 300 DPI). The file size of each image should not exceed 5 megabytes.
- Please provide with the photos of your submitted works, the name of the artist, his/her e-mail address, the title and format of the two works and the year they were painted.
- Please note that all submitted works must have been painted within the last five years as of March 1st 2013, in other words after March 1st 2008.
- A good quality portrait photo of the artist (JPEG or PDF files only, 10 x 15 cm, minimum resolution 300 DPI).
- The applicant's first name, surname, age, date of birth, address, postcode, town, telephone and e-mail address. Each applicant will be notified of the results of each stage of the selection process by e-mail.
- The artist's written authorisation to allow the publication of the photos (artworks and portrait photo) in L'ART DE L'AQUARELLE and THE ART OF WATERCOLOUR magazines, on the magazine web sites (www.lartdelaquarelle.com and www.artofwatercolour.com) as well as on the websites of the competition partners and sponsors.
- A sworn statement to the intent that the photographic reproductions of paintings sent into the competition are the original work of the artist in question. Original is taken as meaning that the aforementioned works are not a copy of another work and, if the painting is based on a photo, that this photo was either taken by the artist him/herself or the photo was used with the photographer's authorisation.
- Please state whether you are an amateur or a professional artist.
- Participation in the first round of selection is free of charge.
